

APGFCU® Cash Back Credit Card Disclosure Statement and Agreement

In this Agreement the words "you" and "your" mean each and all of those who apply for the card or use the card. "Card" means the Cash Back Visa® Credit Card and any duplicates and renewals we issue. "Account" means your APGFCU Cash Back Visa Credit Card Line of Credit account with us. "We," "us" and "ours" means Aberdeen Proving Ground Federal Credit Union (APGFCU). By signing, using or accepting the APGFCU Cash Back Visa Credit Card, you acknowledge receipt of this Agreement and agree to terms herein.

1. Responsibility: If we issue a card, you agree to repay all amounts advanced to you, any fees or charges and the FINANCE CHARGE arising from the use of the card and the card account. For example, you are responsible for charges made by yourself, your spouse and minor children and anyone else to whom you give the card. You may request additional cards for individuals you designate as authorized users. You are responsible to repay all amounts advanced by authorized users, any fees or charges and the FINANCE CHARGE arising from their use of the card. If you notify us that someone you have given your card is not authorized to use it any more, we will cancel the card. You will remain liable for the charges they make until the time we cancel the card. You cannot disclaim responsibility by notifying us, but we will close the account for new transactions if you so request. Your obligation to pay the account balance continues even though an agreement, divorce decree or other court judgments to which we are not a party may direct you or one of the other persons responsible to pay the account.

2. Lost Card Notification: If you believe the card has been lost or stolen, you should immediately call the Credit Union during business hours at 410-272-4000 or toll-free at 1-800-225-2555.

3. Liability for Unauthorized Use: You may be liable for the unauthorized use of your card. You agree to notify us immediately in the event of the loss, theft or unauthorized use of your card by telephone at 410-272-4000 or toll-free at 1-800-225-2555 or by writing APG Federal Credit Union, P.O. Box 1176, Aberdeen, MD 21001. Until you do, you may have to pay up to \$50 for the purchases and/or cash advances made by anyone who used your card without your permission. You may also be liable for the unauthorized use of convenience checks.

4a. Credit Line: If we approve your application, we will establish a self-replenishing Line of Credit for you and notify you of its amount when we issue the card. You agree not to let the account balance exceed this approved Credit Line. Each payment you make on the account will restore your Credit Line by the amount of the payment which is applied to principal. You may request an increase in your Credit Line by written application, or telephone call to us at 1-800-225-2555, which must be approved by us. By giving you written notice, we may reduce your Credit Line from time to time, or, with good cause, revoke your card and terminate this Agreement. Upon revocation of your card any outstanding balance and FINANCE CHARGE shall immediately become due and payable under the terms of this Agreement. Good cause includes your failure to comply with this Agreement, our adverse reevaluation of your creditworthiness or your use of this card in furtherance of any purpose deemed to be illegal under state or federal law. You may also terminate this Agreement at any time, but termination by either of us does not affect your obligation to pay the account balance and FINANCE CHARGE arising from authorized use of the card. The cards remain our property and you must recover and surrender to us all cards upon our request and upon termination of the Agreement.

4b. Balance Transfers: Balance transfers are a feature of your card, which you may access anytime or during promotions we may offer from time to time. You may transfer balances from other creditors up to your available credit limit. Balances you transfer from other creditors will be treated as cash advances for the purpose of this agreement and will be subject to your standard cash advance APR unless a promotional APR applies. Any balance transfer promotional offers will describe the terms and conditions of the offer. Balance transfers may not be used to pay any amount owed to us on this credit card agreement or any other APGFCU credit card or loans you may have with us. If you transfer your balances you may lose your grace period on purchases.

5. Checking Overdraft Protection: This Cash Back Visa Credit Line also allows you to overdraw your checking account for any lawful purpose except for payment to this Cash Back Visa Credit Card account and shall be subject to service charges in accordance with the rate schedules disclosed in the Cash Back Visa Credit Card Application, Cash Back Visa Credit Approval Letter, and/or Cash Back Visa Credit Card Disclosure Statement and Agreement. We will credit to your checking account, in multiples of \$50, an amount (the advance) sufficient to permit us to honor such check. Such credit advances are considered by us as cash advances and are subject to the terms and conditions concerning cash advances in this Agreement.

6. Credit Information: You authorize us to investigate your credit standing including your ability to pay, obtain and verify credit reports and other information about you when opening, renewing or reviewing your account, and you authorize us to disclose information regarding your account to credit bureaus and other creditors who inquire of us about your credit standing, subject to applicable law.

You agree that we will give information about the Account to credit reporting agencies. We will tell a credit reporting agency if you fail to comply with any term of this Agreement. This may have a negative impact on your credit report.

7. Monthly Payment: We will mail you a statement every month showing your Previous Balances of purchases, cash advances, balance transfers and earned cash back awards; the current transactions on your account; the remaining credit available under the Credit Line; the New Balances of purchases, cash advances and balance transfers; the New Balance Total; the FINANCE CHARGE due to date; any other billed fees; and the Minimum Payment required. Each month, you must pay at least the Minimum Payment within 25 days of your statement closing date. You may authorize us to charge the Minimum Payment automatically to your share account with us. You may, of course, pay more frequently, pay more than the Minimum Payment, or pay the Total New Balance in full, and you will reduce the FINANCE CHARGE by doing so.

The Minimum Payment on your account will be either (a) 2.0% of your Total New Balance, or \$25, whichever is greater, or (b) your Total New Balance, if it is less than \$25 plus (c) any portion of the Minimum Payment(s) shown on prior statement(s) which remains unpaid. In addition, at any time your Total New Balance exceeds your Credit Line, you must immediately pay the excess without our demand.

Subject to applicable law, your payments may be applied to what you owe the Credit Union in any manner the Credit Union chooses. However, in every case, in the event you make a payment in excess of the required minimum periodic payment, the Credit Union will allocate the excess amount first to the balance with the highest annual percentage rate and any remaining portion to the other balances in descending order based on applicable annual percentage rate.

8. Irregular Payments: We can accept late payments, partial payments, checks and money orders marked "paid in full" or language having the same effect without losing any of our rights under this agreement.

9. Finance Charge: You can avoid the FINANCE CHARGE on purchases by paying the full amount of the New Balance Total each month within 25 days of your statement closing date. Otherwise, the New Balance, including purchases, cash advances, and subsequent purchases from the date they are posted to your account, will be subject to the FINANCE CHARGE. Cash advances, balance transfers, convenience checks are always subject to the FINANCE CHARGE from the date they are posted to your account.

The FINANCE CHARGE (interest) is calculated on the average daily principal balances of purchases and cash advances in the account at the daily periodic rate and corresponding Annual Percentage Rate disclosed in the Cash Back Visa Credit Card Approval Letter.

The principal balances of purchases, cash advances and balance transfers are determined each day during the statement period, beginning with the principal

portion of your Previous Balances, reduced by payments you make and credits we apply, and increased by purchases, cash advances and balance transfers you make and debit adjustments we make during the statement period. The daily principal balances are totaled and divided by the number of days in the statement period, to produce separate average daily principal balances for purchases, cash advances and balance transfers to which the periodic rate is then applied.

10. Variable APR Based on Prime: Your Annual Percentage Rate is based on the U.S. Prime Rate ("Prime Rate"). Your Annual Percentage Rate will equal the Prime Rate plus a margin. If the Prime Rate increases, it will cause the Annual Percentage Rate to increase. If the Prime Rate decreases, it will cause the Annual Percentage Rate to decrease. Your FINANCE CHARGE for every \$1.00 in your daily balance may increase if the Prime Rate rises and will decrease if the Prime Rate falls. For example, a change in the Prime Rate of one percentage point will result in a one percentage point change in the same direction in your Annual Percentage Rate with a corresponding change in your daily periodic rate. For each billing period, we use the Prime Rate published in The Wall Street Journal on the first business day of each month. If the Prime Rate causes an Annual Percentage Rate to change, we put the new Annual Percentage Rate into effect as of the first day of the billing period following the month in which the Prime Rate changed. We apply the new Annual Percentage Rate to any existing balance, subject to any promotional rates that may apply.

The Cash Back Visa margin is determined based on an evaluation of each member's credit history. The margin will range from 7.99% to 14.24%.

The Annual Percentage Rate will not increase to more than 18% (or such other rates as may be permitted under the Federal Credit Union Act).

Your Annual Percentage Rate may also change in the event that you request and are approved for an increase or decrease in your Credit Line or request and are approved to change your credit product.

11. Military Lending Act: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this notice verbally, please call 800-225-2555 24 hours a day, 7 days a week.

Certain contractual provisions, as more fully set forth in 32 C.F.R. Section 232.8, are not permitted in loan agreements with borrowers covered by the Military Lending Act (MLA). To the extent that any of those provisions are contained in these disclosures, they shall be inapplicable to covered borrowers under the MLA.

12. Late Charge: If you fail to pay the minimum *on your account within fifteen (15) days of the payment due date*, a late payment charge will be assessed and added to your account.

13. Fees: The Cash Back Visa Card account shall be subject to service charges in accordance with the rate schedules disclosed in the Cash Back Visa Credit Card Application, Cash Back Visa Credit Approval Letter, and/or Cash Back Visa Credit Card Disclosure Statement and Agreement. If you request photocopies of sales slips, duplicate copies of monthly billing statements or a replacement card, you agree to pay our reasonable costs for such services. The present charges for these services are stated specifically in the current Service Price List. You can pick one up in any branch or call us and we'll mail a copy to you.

14a. Default: You will be in default if you fail to make the minimum payment within 25 days after your monthly statement closing date. You will also be in default if: (a) you breach any other conditions of the Agreement; (b) bankruptcy or insolvency proceedings are started by you or against you; (c) if we determine your creditworthiness (which includes your ability to repay us) has become unsatisfactory due to change in employment, increase in your other obligations, or because of any other reason; (d) in the event of your death; (e) your use of the card in furtherance of any purpose deemed to be illegal under state or

federal law; or (f) we discover at any time that you provided false or fraudulent information in your credit application.

In the event of any default or in the event this Agreement is terminated by you or by us for any reason, the entire balance on the Account becomes due and payable forthwith. You also agree that, in case of default, you will pay all usual and customary costs of collection permitted by law, including court costs and reasonable attorney fees. You agree that the jurisdiction in any dispute or for any collection purposes will be in the State of Maryland.

14b. Penalty APR: The Penalty APR may be applied to your account if you:

- Are over 60 days past due or
- Make a payment that is returned and causes your account to be over 60 days past due.

The penalty APR is 18.00% (or such other rates as may be permitted under the Federal Credit Union Act). If the penalty APR is applied to your account, it will apply to both existing and new transactions. It will no longer apply to existing transactions if you make the next six consecutive minimum payments. If you do not make these six consecutive minimum payments, the Penalty APR may continue to apply to both new and existing balances indefinitely.

15. Using the Card: You must sign your card to use it. To make a purchase or cash advance, there are two alternative procedures to follow. One is for you to present the card to a participating Visa plan merchant, to us or to another financial institution. You may be required to sign the sales or cash advance draft. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the card in an Automated Teller Machine (ATM) or other type of electronic terminal that provides access to the Visa system. ATM transactions are subject to cash advance fees.

The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advance, credit or other slips cannot be returned with the statement. You should retain the copy of such slips furnished at the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you may request.

We may issue Cash Back Visa Convenience Checks to you which may be used to obtain cash advances. Each Convenience Check will contain your Credit Union member number and may be used only by the person whose name is printed on it. Each must be completed and signed in the same way as a regular personal check. You may not use a Cash Back Visa Convenience Check to pay any amount owed to us on this credit card agreement or any other APGFCU credit card or loans you may have with us.

If you give your account number to make a purchase or obtain a cash advance without presenting the card (such as for online, mail order or telephone purchase), the legal effect will still be the same as if the card itself was used by you.

We are not responsible if anyone refuses to honor your credit card or Convenience Check.

16. Prohibited Use of the Card: You may not use your card to buy lottery tickets, place bets or gamble if these transactions are made online. You also may not use your card for any illegal transactions.

17. Stop Payment: If before a Balance Transfer or Convenience Check drawn on your Account has been honored, you notify us not to pay it, we will stop payment on the check. You must send us a written and signed stop payment order which states the number, payee, amount, and date of the check on which payment is to be stopped. We may disregard any such order six months after our receipt unless you renew your request.

18. Returns and Adjustments: Merchants and others who honor the card may give credit for returns or adjustments, and they will do so by sending us a credit which will be posted to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or refund it and transfer the credit balance to your share account.

19. Foreign Transactions: Purchases and cash advances made in foreign countries and foreign currencies will be billed to you in U.S. dollars. The conversion rate to dollars and the fees for all international transactions will be in accordance with the operating regulations of Visa USA, Inc. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable processing date. In addition, a fee of 1% of the transaction amount may be charged on all international transactions regardless of whether or not currency conversion is involved.

20. Plan Merchant Disputes: We are not responsible for the refusal of any plan merchant or financial institution to honor your card. We are subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card only if you have made a good faith attempt, but have been unable to obtain satisfaction from the plan merchant, and: (a) your purchase was made in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more than \$50 and was made from a plan merchant in your state or within 100 miles of your home. Any other disputes you must resolve directly with the plan merchant.

21. Effect of Agreement: This Agreement is the contract which applies to all transactions of your account even though the sales, cash advance, balance transfer or convenience checks you sign may contain different terms. We may amend this Agreement from time to time by sending you advance written notice required by law. The Amendment will become effective on the effective date stated in the notice. Use of your card after receiving notice of a change will further evidence your agreement to the change. If you give us written notice that you do not agree to the change, we will terminate your account and you will be permitted to pay the outstanding balance as of the effective date under the terms of the Agreement governing your account at the time our notice was given. If you use your card after the effective date of this Agreement or any Amendment, you will be considered to have agreed to the new terms even if you have sent us such written notice. To the extent the law permits, and we indicate in our notice, amendments will apply to your existing account balance as well as future transactions.

22. Notices: We mail you statements and notices through the U.S. Mail, postage prepaid, and address them to you at the latest billing address on our records or, if you've agreed, by email to the address you gave us. Any notice that we send you through the U.S. Mail is deemed to be given when deposited in the U.S. Mail. We consider an electronic notice sent as soon as we email it, unless we receive notification that the email was undeliverable. You must notify us immediately if you change the address to which we send billing statements. If you have more than one account you must notify us and we will change the address on all accounts. We may update your billing address if we receive information that it has changed or is incorrect.

23. No Waiver: The Credit Union can delay enforcing any of its rights any number of times without waiving them.

Cash Back awards paid will be disclosed on your credit card statement for the previous month. There is no minimum or maximum award you may earn. Balance transfers, cash advances (or cash equivalent transactions such as the purchase of foreign currency), money orders, travelers cheques, prepaid cards, cashier's checks, convenience checks, ATM cash disbursements, loan payments, fees, interest charges and disputed or unauthorized/fraudulent transactions are not considered purchases and will not earn Cash Back awards.

APGFCU reserves the right, at its sole discretion, to disqualify any card member from receiving Cash Back awards and to forfeit any and all Cash Back awards earned but not yet paid for abuse, fraud, lottery, gaming or any violations of the Credit Card Disclosure Statement and Agreement. Box 1176, Aberdeen, MD 21001, within sixty (60) days of the date of the first Cash Back Visa account statement to which your award dispute relates. What to Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:
APG Federal Credit Union, P.O. Box 1176, Aberdeen, MD 21001
In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong. You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

APG Federal Credit Union, P.O. Box 1176, Aberdeen, MD 21001

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

In case of errors or questions about your electronic funds transfer (Federal Electronic Funds Transfer Act) call us at 410-272-4000 or toll-free at 800-225-2555. TTY: 800-811-4888. Or write us at APG Federal Credit Union, P.O. Box 1176, Aberdeen, Maryland 21001-6176, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, or a foreign initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 5 business days (20 days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new member.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Automatic Payment Transfers

If you have authorized us to pay your credit card bill automatically from your Share or Checking account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

Variable Rate Information: Variable APRs are based on the **3.25% Prime Rate as of 04/01/2020**. Your APR may vary. Rates are determined and adjusted monthly, according to your statement cycle period, by adding a Margin to the Prime Rate published in the *Wall Street Journal* on the first business day of every month. The Margin will range from 7.99% to 14.24% based on an evaluation of each member's credit history and product type.

Balance transfers will be applied to your account and sent to your designated payee(s) 10 days after we open your new account. If you want to cancel or modify your balance transfer within the first 10 days of account opening, please call 1-800-225-2555. Please continue to make regular payments to your other account(s) until you know the balance has been paid.

Terms and Conditions of Balance Transfer Offer for New APGFCU Visa® Accounts

- 0% introductory APR for 15 months from the date of account opening for balance transfers submitted within the first 90 calendar days from account opening for Cash Back, Platinum Preferred, Platinum Preferred Rewards and Platinum Preferred Student/Starter Visa cards.
- After 15 months, your introductory rate will end and your standard cash advance rate will apply.
- 3% of the amount of each balance transfer transaction will be assessed to your account upon posting for all balance transfer requests submitted within the first 90 calendar days of account opening at the 0% introductory APR.
- There is no balance transfer fee for all balance transfer requests submitted and posted to your account after 90 calendar days of account opening, and you will be charged your standard variable rate APR.
- You authorize APGFCU to pay off the balances or portions of the balances due on the credit cards/charges/loans listed within this online form or verbally by means of a Balance Transfer charged to your APGFCU Visa account. There is no limit to the number of transfers permitted up to your approved credit limit.
- You understand the balance transfer request we approve for you may not ultimately pay your total balance due with the other creditor, which may result in outstanding charges imposed by the other creditor. It is your responsibility to make timely payments to your other creditor. You should continue to make payments to these other credit card or loan issuers until the balance transfer is reflected on your account with us as a payment made by us to your creditor. All balance transfers are paid by us directly to the other creditor.
- APGFCU is not responsible for any payments being late, lost in the mail or for any finance or other charges that may occur due to a delay in processing a balance transfer request.
- Balances transferred will not receive a balance transfer cash rebate or reward points.
- Balance transfers are always subject to Finance Charges from the date they are posted to your account to the date on which they are paid in full.
- You must pay in full the entire balance (including balance transfers and new purchases) by the end of each payment cycle to avoid accruing interest on purchases.
- Each balance transfer will reduce your available credit. We will process the requested balance transfers in the order you submit them to us. Should there be an insufficient credit limit on your account with us, you understand we will pay off the balances of other creditors only up to the amount of the available credit limit you have with us, which could result in only a partial payment of the remaining account balances with the other creditor.
- The total amount(s) of your request cannot exceed your available credit with us. Should the request exceed the available credit, we will decline the request and you will have the option to apply for a credit limit increase. APGFCU reserves the right to refuse to honor any request for a credit limit increase. You should not transfer from another creditor the amount of any disputed purchases or other charges. If you do, you may lose your right to dispute the charges with that other creditor.
- This offer cannot be combined with any other balance transfer offers. We will not process any balance transfer requests that are from any other account or loan issued by APGFCU.
