

Credit Card Disclosure Statement and Agreement for APGFCU® Credit and Share Secured Credit Card Accounts Opened On or After September 5, 2023

In this Agreement the words "you" and "your" mean each and all of those who apply for the card or use the card, unless the context specifically requires otherwise. "Card" means the Aberdeen Proving Ground Federal Credit Union Visa® Credit Card and any duplicates and renewals we issue. "Account" means your Visa Credit Card Line of Credit account with us. "We," "us" and "ours" mean Aberdeen Proving Ground Federal Credit Union (APGFCU). Visa is a registered trademark of Visa International Service Association.

Captions and headings in this Agreement are for reference only and do not affect the interpretation of this Agreement. Unless the context specifically requires otherwise, references in this Agreement to a singular number include the plural, and references to a plural number include the singular.

By signing, using or accepting the card, you acknowledge receipt of this Agreement and agree to the terms herein. This Agreement also covers any Visa Credit Card Approval Letter, card carrier, card insert, addendum, and any other document accompanying or relating to this Agreement, any Visa Credit Card Application you submitted to APGFCU, and any notifications of changes to this Agreement we send to you.

Please read this Agreement in its entirety and keep it for your records.

1. Responsibility: If we issue a card, you agree to repay all amounts advanced to you, any fees or charges and the FINANCE CHARGE arising from the use of the card and the card account. For example, you are responsible for charges made by yourself, your spouse and minor children and anyone else to whom you give the card. You may request additional cards for individuals you designate as authorized users. You are responsible to repay all amounts advanced to such authorized users, any fees or charges and the FINANCE CHARGE arising from their use of the card. If you notify us that someone you have given your card to is not authorized to use it anymore, we will cancel the authorized user's card. You will remain liable for the charges they make until the time we cancel the card.

You cannot disclaim responsibility for authorized transactions by notifying us, but we will close the account to new transactions if you so request. If more than one person signs the application for the card, each agrees to be individually and jointly responsible for paying all amounts owed under this Agreement. Your obligation to pay the account balance continues even though an agreement, divorce decree or other court judgments to which we are not a party may direct you or another person responsible to pay the account.

2. Lost Card Notification: If you believe the card has been lost or stolen, you should immediately call the Credit Union during business hours at 410-272-4000 or toll-free at 800-225-2555. After business hours, call toll-free 800-543-5073 to contact the Lost/Stolen Center or contact us in writing at: APG Federal Credit Union, P.O. Box 1176, Aberdeen, MD 21001.

3. Liability for Unauthorized Card Use: You may be liable for the unauthorized use of your card. You agree to notify us immediately in the event of the loss, theft or possible unauthorized use of your card by telephone at 410-272-4000 or toll-free at 1-800-225-2555 during business hours (or toll-free at 800-543-5073 after business hours) or by writing APG Federal Credit Union, P.O. Box 1176, Aberdeen, MD 21001. You will not be liable for any unauthorized use of the card that occurs after you notify us.

Under Visa's "zero liability" policy, you will generally have no liability for the unauthorized use of your card (including online and offline use of the card) after its loss or theft and before you notify us. If there is an exception to the Visa "zero liability" policy (such as, if you are grossly negligent in handling your card or card number, or unreasonably delay in reporting unauthorized use of your card, or if the card transaction is not processed by Visa), you may be liable for up to \$50 for the purchases and/or cash advances made by anyone who used your card without your permission before you notify us.

This Section 3 does not apply to unauthorized use of convenience checks. (See Section 15 below and also the important billing rights information near the end of this Agreement.)

4a. Credit Line: If we approve your application, we will establish a self-replenishing Line of Credit for you and notify you of its amount when we issue the card. You agree not to let the account balance exceed this approved Credit Line. If the account balance exceeds the approved Credit Line you must immediately pay the excess upon our demand and (without demand) as part of the Minimum Payment due pursuant to Section 7 below for any monthly statement period that ends with an account balance greater than the approved Credit Line. Each payment you make on the account will restore your Credit Line by the amount of the payment which is applied to principal (provided that the payment reduces the total unpaid principal to an amount less than your approved Credit Line).

You may request an increase in your Credit Line by written application, or telephone call to us at 800-225-2555, which must be approved by us. Effective immediately upon written or oral notice to you, we may reduce your Credit Line from time to time, or, with good cause, revoke your card and terminate the Line of Credit. Upon revocation of your card any outstanding balance, any fees or charges and FINANCE CHARGE shall immediately become due and payable in full upon our demand. Good cause includes your failure to comply with this Agreement, our adverse reevaluation of your creditworthiness or your use of the card in furtherance of any purpose deemed or reasonably suspected to be illegal under state or federal law. (See also Section 14a below.) You may also terminate the Line of Credit at any time, but termination by either you or us does not affect your obligation to pay the account balance, any fees or charges and FINANCE CHARGE arising from authorized use of the card under the terms of this Agreement. The cards remain our property and you must recover and surrender to us all cards immediately upon our demand and upon termination of the Line of Credit.

4b. Share Secured Credit Line: If you have applied for and we have approved your application for a Share Secured Credit Line, we will establish a self-replenishing Line of Credit for you equal in amount to the shares you have agreed to pledge in your pledged share account with us (the share savings or share money market savings account you identified for us in your application), and we will notify you of the pledged share account number and the total pledged shares in the Visa Credit Card Approval Letter when we issue the Share Secured Credit Card. The total pledged shares will equal your approved Credit Line. We will place a hold on all pledged shares in an amount equal to the approved Credit Line, and withdrawals and transfers from the pledged share account will be limited to funds that are not subject to any hold. You may not transfer or withdraw any pledged shares from your pledged share account for as long as you owe us any amounts in connection with your Share Secured Credit Line (regardless of whether we have revoked your card, you have surrendered your card, or you or we have terminated your Line of Credit).

Section 4a above also applies to a Share Secured Credit Line. In addition to Section 4a above, you agree not to transfer, assign, or pledge your pledged share account to anyone else without our prior written consent (which we may withhold in our discretion). Your approved Credit Line may not be greater than your total pledged shares. If for any reason your total pledged shares fall below your approved Credit Line, we will reduce your Credit Line so that it remains equal to your total pledged shares without giving you prior notice. We also may refuse to make an advance if the amount of pledged shares falls below your approved Credit Line, and we may terminate your account if the pledged share account is closed or becomes the subject of any third-party claim. (See also Section 14a below.) If you request an increase in your Credit Line (as described in Section 4a above), we will not approve the increase unless you pledge additional shares equivalent to the increase to the Credit Line.

Your agreements in this Section 4b concerning your pledged share account are separate from and in addition to provisions in the "Security Interest Disclosure" near the end of this Agreement. Your pledged share account is also subject to the APGFCU "Terms and Conditions of Your Account" disclosure.

4c. Cash Advances: Cash advances are a feature of your card. Cash advances include without limitation cash and cash equivalent transactions (such as ATM cash disbursements, loan payments, the purchase of foreign currency, money orders, travelers cheques, prepaid cards, cashier's checks, lottery tickets, casino gaming chips, and similar transactions using the account), and convenience check transactions. Convenience checks are checks that may be issued from time to time at APGFCU's discretion as an additional means of accessing your account. (Please see Section 15 below for more information about convenience checks.)

APGFCU reserves the right, at its sole discretion, to classify a transaction as a cash advance or a purchase for all purposes under this Agreement (including without limitation Sections 9 and 24 below) based on merchant and/or transaction category codes and/or other codes or information provided in connection with a transaction.

Cash advances are subject to your standard cash advance Annual Percentage Rate (APR) unless a promotional APR applies. Cash advances (except for convenience check transactions) are also subject to the Cash Advance transaction fee described in the accompanying Disclosure. (This transaction fee is a non-interest Finance Charge.) Cash advances may not be used to pay any amount owed to us on this Agreement or any other APGFCU credit card or loans you may have with us.

4d. Balance Transfers: Balance transfers are a feature of your card, which you may access any time or during promotions we may offer from time to time. You may transfer credit card and certain other loan balances from other creditors up to your available credit limit. Balances you transfer from other creditors will be treated as cash advances for the purpose of this Agreement and will be subject to your standard cash advance APR unless a promotional APR applies. Balance transfers are also subject to the Cash Advance transaction fee described in the accompanying Disclosure unless a promotional offer applies. (This transaction fee is a non-interest Finance Charge.) Any balance transfer promotional offers will describe the terms and conditions of the offer. Balance transfers may not be used to pay any amount owed to us on this Agreement or any other APGFCU credit card or loans you may have with us. If you transfer your balances you may lose your Finance Charge grace period on purchases.

5. Checking Overdraft Protection: This Visa Credit Line also allows you to enroll the Visa Credit Line for overdraft protection transfers if your enrolled APGFCU checking account becomes overdrawn for any lawful purpose except for payment to this Visa Credit Card account or any other APGFCU credit card or loans you may have with us. If you choose to enroll the Visa Credit Line for overdraft protection transfers, you understand that anyone who is authorized to make withdrawals or transfers from your enrolled APGFCU checking account may access your Visa Credit Line by creating an overdraft. We will credit to your enrolled checking account, in multiples of \$50, an amount (the overdraft protection transfer) sufficient to permit us to honor a check or other withdrawal or transfer (except for payments to this Visa Credit Card account or any other APGFCU credit card or loans you may have with us) for which there would otherwise not be sufficient available funds. Such overdraft protection transfers are considered by us as cash advances and are subject to the terms and conditions concerning cash advances in this Agreement, except that overdraft protection transfers are subject to the Visa Credit Card Protection Fee described in the accompanying Disclosure applicable to your enrolled APGFCU checking account, and not the Cash Advance transaction fee. Only one Visa Credit Card Protection Fee will be imposed on your enrolled APGFCU checking account on any day we make one or more overdraft protection transfers from your Visa Credit Line. Overdraft protection transfers may not be used to pay any amount owed to us on this Agreement or any other APGFCU credit card or loans you may have with us.

Your enrolled APGFCU checking account is also subject to the APGFCU "Terms and Conditions of Your Account" disclosure (including without limitation terms

and conditions for when transactions may create overdrafts in the checking account, and how to resolve errors or questions about transactions on your checking account statement).

6. Credit Information: You authorize us to investigate your credit standing including your ability to pay, obtain and verify credit reports and other information about you when opening, renewing or reviewing your account, and you authorize us to disclose information regarding your account to credit bureaus and other creditors who inquire of us about your credit standing, subject to applicable law.

You agree that we will give information about the account to credit reporting agencies. We will tell a credit reporting agency if you fail to comply with any term of this Agreement. This may have a negative impact on your credit report. We may choose in our sole discretion to report information about the account in the name of an authorized user (see Section 1 above), to the extent allowed by law.

7. Monthly Payment: We will mail you a statement every month showing your Previous Balances of purchases, cash advances and balance transfers; the current transactions on your account; the remaining credit available under the Credit Line; the new balances of purchases, cash advances and balance transfers (each a "New Balance"); the total new balances of purchases, cash advances and balance transfers (the "Total New Balance"); the FINANCE CHARGE due to date; any other billed fees; and the Minimum Payment required. Each month, you must pay at least the Minimum Payment by the payment due date (which will be at least 25 days after your monthly statement closing date). You may (but are not required to) authorize us to charge the Minimum Payment automatically to your designated share account with us. You may, of course, pay more frequently, pay more than the Minimum Payment, or pay the Total New Balance in full, and you will reduce the periodic FINANCE CHARGE (interest) by doing so.

The Minimum Payment on your account will be either (a) 2.0% of your Total New Balance, or \$25, whichever is greater, or (b) your Total New Balance, if it is less than \$25 plus (c) any portion of the Minimum Payment(s) shown on prior statement(s) which remains unpaid. In addition, at any time your Total New Balance exceeds your Credit Line, you must immediately pay the excess without our demand.

Subject to applicable law, your payments may be applied to what you owe the Credit Union in any manner the Credit Union chooses. However, in every case, in the event you make a payment in excess of the required minimum periodic payment, the Credit Union will allocate the excess amount first to the balance with the highest annual percentage rate and any remaining portion to the other balances in descending order based on applicable annual percentage rate.

8. Irregular Payments: We can accept late payments, partial payments, checks and money orders marked "paid in full" or language having the same effect without losing any of our rights under this Agreement.

9. Finance Charge: You can avoid periodic FINANCE CHARGE (interest) on purchases by paying the full amount of the Total New Balance each month by the payment due date (which will be at least 25 days after your monthly statement closing date). Otherwise, the New Balance of purchases, and subsequent purchases from the date they are posted to your account, will be subject to periodic FINANCE CHARGE (interest). Cash advances, balance transfers, and convenience checks are always subject to periodic FINANCE CHARGE from the date they are posted to your account (unless a promotional APR offer applies).

FINANCE CHARGE (interest) is calculated on the average daily principal balances of purchases and cash advances (including any applicable balance transfers and convenience checks) in the account (multiplied by the number of days in the monthly statement period) at the applicable daily periodic rate and corresponding Annual Percentage Rate disclosed in the Visa Credit Card Approval Letter, any applicable promotional APR offer, and monthly statements. (The Annual Percentage Rate does not include non-interest Finance Charges, such as cash advance or balance transfer transaction fees.)

The principal balances of purchases, cash advances and balance transfers are determined each day during the monthly statement period, beginning with the principal portion of your Previous Balances, reduced by payments you make and credits we apply to reduce outstanding principal balances, and increased by purchases, cash advances and balance transfers you make and debit adjustments we make during the statement period. The daily principal balances are totaled and divided by the number of days in the statement period, to produce separate average daily principal balances for purchases, cash advances and balance transfers to which the applicable periodic rate is then applied for the number of days in the monthly statement period.

10a. Non-Variable Rate APR: Your Annual Percentage Rate and daily periodic rate (see Section 9 above) are provided in your Visa Credit Card Approval Letter (the "stated rate"). This stated rate is subject to change. We may modify this stated rate only after providing you with written notice at least forty-five (45) days in advance. Any change in these terms, including changes in the Annual Percentage Rate, will apply to your future transactions. (See also Section 21 below.) Your Annual Percentage Rate may also change in the event that you request and are approved for an increase or decrease in your Credit Line or request and are approved to change your credit card product.

10b. Variable APRs Based on Prime: For our variable rate cards, your Annual Percentage Rate is based on the U.S. Prime Rate ("Prime Rate"). Your Annual Percentage Rate will equal the Prime Rate plus a margin. If the Prime Rate increases, it will cause the Annual Percentage Rate to increase. If the Prime Rate decreases, it will cause the Annual Percentage Rate to decrease. Your periodic FINANCE CHARGE (interest) for every \$1.00 in your average daily principal balance may increase if the Prime Rate rises and will decrease if the Prime Rate falls. For example, a change in the Prime Rate of one percentage point will result in a one percentage point change in the same direction in your Annual Percentage Rate with a corresponding change in your daily periodic rate. For each monthly billing period, we use the Prime Rate published in The Wall Street Journal on the first business day of each month. If the Prime Rate causes an Annual Percentage Rate to change, we put the new Annual Percentage Rate into effect as of the first day of the billing period following the month in which the Prime Rate changed. We apply the new Annual Percentage Rate to any existing balance, subject to any promotional rates that may apply and subject to Section 9 above.

For Platinum Preferred Student/Starter, Platinum Preferred and Platinum Preferred Rewards Visa cards, the margin is determined based on an evaluation of each member's credit history, and is provided in your Visa Credit Card Approval Letter, together with your initial Annual Percentage Rate and initial daily periodic rate. The margins will range from 5.74% to 14.24% based on product type. For the Classroom Supply Visa, the margin is 0.00%. For the Share Secured and the Money Market Share Secured Visa cards, the margin is 1.00%.

If your Visa credit line is secured by a Regular Share account, the maximum Annual Percentage Rate will not exceed 5% above the current APGFCU dividend rate on Regular Share Accounts, regardless of increases to the Prime Rate. If your Visa credit line is secured by a Money Market Share Account, the maximum Annual Percentage Rate will not exceed 5% above the current APGFCU tier for the lowest Money Market tier rate, regardless of increases to the Prime Rate. For all other variable rate cards, the Annual Percentage Rate will not increase to more than 18% (or such other rates as may be permitted under the Federal Credit Union Act), regardless of increases to the Prime Rate.

Your margin and Annual Percentage Rate may change in the event that you request and are approved for an increase or decrease in your Credit Line or request and are approved to change your credit card product.

11. Military Lending Act: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other

than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this notice verbally, please call 800-225-2555 24 hours a day, 7 days a week.

Certain contractual provisions, as more fully set forth in 32 C.F.R. Section 232.8, are not permitted in loan agreements with borrowers covered by the Military Lending Act (MLA). To the extent that any of those provisions are contained in these disclosures, they shall be inapplicable to covered borrowers under the MLA.

12. Late Charge: If you fail to pay the minimum on your account within fifteen (15) days of the payment due date, a late payment charge will be assessed and added to your account, as described in the accompanying Disclosure.

13. Fees: The Visa Card account shall be subject to service charges in accordance with the rate schedules disclosed in the Visa Credit Card Application, Visa Credit Card Approval Letter, and/or Visa Credit Card Disclosure Statement and Agreement. If you request photocopies of sales slips, duplicate copies of monthly statements or a replacement card, you agree to pay our reasonable costs for such services. The present charges for these services are stated specifically in the current Service Price List. You can pick one up in any branch or call us and we'll mail a copy to you.

14a. Default: You will be in default if you fail to make the minimum payment by the payment due date (which will be at least 25 days after your monthly statement closing date). You will also be in default if: (a) you breach any other conditions of the Agreement; (b) bankruptcy or insolvency proceedings are started by you or against you; (c) if we determine your creditworthiness (which includes your ability to repay us) has become unsatisfactory due to change in employment, increase in your other obligations, or because of any other reason; (d) in the event of your death; (e) your use of the card in furtherance of any purpose deemed or reasonably suspected to be illegal under state or federal law; (f) we discover at any time that you provided false or fraudulent information in your credit application; or (g) (for Share Secured Credit Lines) your pledged share account is closed by you or by APGFCU for any reason consistent with or permitted by the terms and conditions applicable to the pledged account, or is attached, levied, garnished, or otherwise becomes subject to third party claims.

In the event of any default or in the event the Line of Credit is terminated by you or by us for any reason, the entire balance on the Account will be due and payable in full upon our demand. You also agree that, in case of default, you will pay all usual and customary costs of collection permitted by law, including court costs and reasonable attorney fees. You agree that the jurisdiction in any dispute or for any collection purposes will be in the State of Maryland.

14b. Penalty APR: The Penalty APR may be applied to your account if you:

- Are over 60 days past due or
- Make a payment that is returned and causes your account to be over 60 days past due.

The Penalty APR is **18.00%** (or such other rates as may be permitted under the Federal Credit Union Act), corresponding to a daily periodic rate of 0.0493%. If the Penalty APR is applied to your account, it will apply to both existing and new transactions. It will no longer apply to the account if you make the next six consecutive minimum payments on time. If you do not make these six consecutive minimum payments on time, the Penalty APR may continue to apply to both new and existing balances indefinitely.

15. Using the Card: You must sign your card to use it. To make a purchase or cash advance, there are two alternative procedures to follow. One is for you to present the card to a participating Visa merchant, to us or to another participating financial institution. You may be required to sign the sales or cash advance slip or draft. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the card in an Automated Teller Machine (ATM) or other type of electronic terminal that provides access to the Visa system. ATM transactions are subject to cash advance fees. (See Section 4c above.)

The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advance,

credit or other slips cannot be returned with the statement. You should retain the copy of such slips furnished at the time of the transaction in order to verify the monthly statement. The Credit Union may make a reasonable charge for photocopies of slips you may request. (See Section 13 above.) We may issue Visa Convenience Checks to you which may be used to obtain cash advances. Each Convenience Check will contain your Credit Union member number and may be used only by the person whose name is printed on it. Each must be completed and signed in the same way as a regular personal check. You may not use a Visa Convenience Check to pay any amount owed to us on this Agreement or any other APGFCU credit card or loans you may have with us. If you believe a Convenience Check has been lost or stolen, you should immediately notify us by calling or writing us at the telephone number(s) or address in Section 2 above. Please also see Section 17 below.

If you give your account number to make a purchase or obtain a cash advance without presenting the card (such as for online, mail order or telephone transactions), the legal effect will still be the same as if the card itself was used by you.

We are not responsible if anyone refuses to honor your credit card or Convenience Check.

16. Prohibited Use of the Card: You may not use your card to place bets or gamble if these transactions are made online. You agree to use the account and cards exclusively for lawful personal, family or household purposes, and not for any business, commercial, agricultural or organizational purposes or for other purposes prohibited by this Agreement. You may not use your card for any illegal transactions. APGFCU reserves the right, at its sole discretion, to refuse to approve a requested transaction based on merchant and/or transaction category codes and/or other codes or information provided in connection with that transaction.

17. Stop Payment: If before a Balance Transfer or Convenience Check drawn on your Account has been honored, you notify us not to pay it, we will use reasonable efforts to stop payment on the check. You must notify us of your stop payment request by calling or writing us at the telephone number(s) or address in Section 2 above. You agree that we need at least one business day after we receive your request to process your request. Your stop payment request must include the number, payee, amount, and date of the check on which payment is to be stopped. If you make your request by telephone, we may disregard any such telephone request 14 days after our receipt unless you confirm your request in writing within that 14-day period. If you make or confirm your request in writing, we may disregard any such written request six months after our receipt unless you renew your request in writing.

18. Returns and Adjustments: Merchants and others who honor the card may give credit for returns or adjustments, and they will do so by sending us a credit which will be posted to your account. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or refund it and transfer the credit balance to your share account.

19. Foreign Transactions: Purchases, cash advances and balance transfers made in foreign countries and foreign currencies will be billed to you in U.S. dollars. The conversion rate to dollars and the fees for all international transactions will be in accordance with the operating regulations of Visa USA, Inc. The exchange rate between the foreign transaction currency and U.S. dollars will be a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. In addition, we impose a foreign transaction fee (a non-interest Finance Charge) equal to 1% of the transaction amount in U.S. dollars, regardless of whether or not currency conversion is involved. All transactions, including online transactions, that may have been originated by you in the U.S., but are processed by a foreign merchant, are subject to this foreign transaction fee. You may not always receive prior notification from the merchant that your transaction is processed by the merchant outside the United States.

20. Merchant Disputes: We are subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card

(but not with a convenience check or any other type of cash advance), up to the amount of credit outstanding for the disputed goods or services and any Finance Charge or other charges imposed on that amount, but only if you have made a good faith attempt and have been unable to obtain satisfaction from the merchant, and: (a) your purchase was made in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more than \$50 and was made from a merchant in your state or within 100 miles of your current mailing address. You must resolve any other disputes you may have with merchants concerning the quality of goods or services you have purchased with the card or account directly with the merchants.

21. Effect of Agreement: This Agreement is the contract which applies to all transactions of your account even though the sales, credit, or other slip or draft, cash advance, balance transfer or convenience check you sign or receive may contain different terms. We may amend this Agreement from time to time by sending you advance written notice if and as required by law. The Amendment will become effective on the effective date stated in the notice. Use of your card or account after receiving notice of a change will further evidence your agreement to the change. If you give us written notice that you do not agree to the change, we will terminate your account and you will be permitted to pay the outstanding balance as of the effective date under the terms of the Agreement governing your account at the time our notice was given. If you use your card or account after the effective date of this Agreement or any Amendment, you will be considered to have agreed to the new terms even if you have sent us such written notice. To the extent the law permits, and if and as we indicate in our notice, amendments will apply to your existing account balance as well as future transactions.

22. Notices: We mail you statements and notices through the U.S. Mail, postage prepaid, and address them to you at the latest billing address in our records or, if you've agreed, by email to the address you gave us. Any notice that we send you through the U.S. Mail is deemed to be given when deposited in the U.S. Mail. We consider an electronic notice sent as soon as we email it, unless we receive notification that the email was undeliverable. You must notify us immediately if you change the billing address to which we send monthly statements and other notices. If you have more than one account you must notify us and we will change the billing address on all accounts. We may update your billing address if we receive information that it has changed or is incorrect.

23. No Waiver: The Credit Union can delay enforcing any of its rights any number of times without waiving them.

24. Reward Points: For those cards that earn reward points, your card may be associated with a bonus points or similar rewards program. Your participation in such a rewards program is subject to the particular rewards program's terms and conditions (the "Program Rules"). Your use of the card associated with the rewards program is your consent to be bound by the Program Rules. The Program Rules may, from time to time, be modified or amended, including but not limited to discontinuing particular rewards or discontinuing the rewards program itself. The latest edition of Program Rules will typically be provided with the associated Card or otherwise made available to you, for example, by visiting a particular internet address. We will provide a copy of such Program Rules upon request. If you close your account and/or membership, you will forfeit all rewards points earned but not yet credited. WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF ANY GOODS OR SERVICES PURCHASED WITH BONUS POINTS OR SIMILAR REWARDS, AND WE WILL HAVE NO LIABILITY FOR ANY DEFECTS IN SUCH GOODS OR SERVICES OR FOR ANY DAMAGES RESULTING FROM THEIR USE.

25. How We May Contact You: You expressly agree in order for APGFCU to provide information about your account and obtain any payment for amounts you may owe APGFCU, we or our authorized parties may contact you and send text messages to you. We may use pre-recorded/artificial voice messages or an automated dialing device to contact you at any telephone number associated with your APGFCU account, including mobile numbers, as permitted by applicable law. You also expressly agree that we may email you at any email address you have provided us.

26. Governing Law: This Agreement is governed by federal law and (only to the extent not preempted by federal law) the law of the state of Maryland, the location of the home office of APGFCU, without regard to conflict of law or choice of law provisions. Solely to the extent Maryland law might be applicable to this Agreement, this Agreement shall be governed by the Maryland Commercial Law Article, Title 12, Subtitle 9 (the credit grantor revolving credit provisions).

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

APG Federal Credit Union
P.O. Box 1176, Aberdeen, MD 21001

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Automatic Payment Transfers

If you have authorized us to pay your credit card bill automatically from your Share or Checking account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

If you enroll the Visa Credit Line for overdraft protection advances (see Section 5 of this Agreement):

Your enrolled APGFCU checking account is subject to the APGFCU "Terms and Conditions of Your Account" disclosure (including without limitation terms and conditions for when transactions may create overdrafts in the checking account, and how to resolve errors or questions about transactions on your checking account statement).

Security Interest Disclosure

You acknowledge and pledge, as a condition of your use of the APGFCU credit card, that you have voluntarily granted APGFCU a security interest in all your individual and joint shares, share draft and share certificates now or in the future held at APGFCU. If your credit card account becomes delinquent, this security interest may be used without further notice to pay all or any part of such delinquency. This security interest does not apply to shares in an IRA, Keogh, or similar tax deferred account.

In addition, you acknowledge that, pursuant to the Federal Credit Union Act (12 U.S.C. 1757(11)), to secure all amounts owed APGFCU for use of this credit card account by you or any authorized user, APGFCU has a statutory lien that may be applied upon default against any of your shares, share draft or share certificate account balances without further notice to pay all or any part of such delinquency. This security interest does not apply to shares in an IRA, Keogh or similar tax deferred account.
